

Wanted: Scenic Pictures of Our State

Deadline for 2017 Ruralite calendar contest is July 22

You love where you live. You probably have the pictures to prove it. Ruralite gives you the chance to share those captured moments of beauty with thousands of readers across the West.

Ruralite magazine is looking for scenic landscapes and local wildlife pictures showcasing the beauty of Klickitat PUD's service area, among others.

Seasonal pictures are ideal, but pick shots carefully. Each person may submit no more than two photos. If your picture is selected, you win \$100 and your picture will be featured in Ruralite's 2017 calendar.

Submissions are accepted until Friday, July 22. The contest is only open to members of Ruralite and Currents utilities, such as Klickitat PUD.

We encourage you to enter the contest and help share the beauty of Washington with thousands of other Ruralite readers across

the West.

Each entry should include:

- Photographer's name, address and electric utility of the photographer.
- A short description of the photo.
- An email address and telephone number where the photographer can be contacted.

Only digital JPEG photos will be accepted. Photos must be horizontal or landscape format and be at least 300 dpi at 11 inches wide by 9 inches tall. Vertical photos will not be considered. Emails larger than 15 megabytes will not be accepted.

Submissions should be sent to calendar@ruralite.org along with supporting information. Please put the words "2017 Calendar Photo Contest" in the subject line. By entering the contest, you agree to give Ruralite one-time rights to publish your photo.

Ready to get your shot?

We want to make sure our PUD readers do not miss a chance to showcase the beauty of our state. Find contest details and helpful hints at www.Ruralite.org/Calendar. ■
