

Show Us Your Powerful Story

Klickitat PUD is launching the “How do you use your power?” photo contest to showcase the many people and features that make Klickitat County special.

KPUD wants to see how its service impacts your lives and helps bring families and communities together.

KPUD may share submissions on social media or in Ruralite magazine.

When submitting photos, be sure to include how they relate to KPUD. This submission, from Downen Jones, highlights irrigation—one of KPUD’s rate classes. Irrigation is crucial this time of year for area farmers to help their crops grow.

Pictures are not required to be taken within Klickitat County, but submissions should keep with the theme of Klickitat County power. ■

Photo Contest Submissions Due August 31

Send submissions to photosubmissions@klickitapud.com, with the subject line “Photo Contest.”

Be sure to include the photographer’s name, the date and location where the photo was taken, and how the photo pertains to Klickitat PUD.
