In a bind to find the perfect gift for someone who has everything or could use a little help with their high winter bills? Klickitat PUD offers gift certificates in any denomination.

Certificates are available for purchase in our Goldendale or White Salmon offices. For your convenience, you can also request a certificate over the phone with a credit or debit card.

You can choose to purchase and deliver the certificate yourself, or the PUD can post a credit to an account of your choice. A gift certificate is then mailed to the customer to inform them of your gift and the amount—at no extra charge.

Some people choose to be anonymous, in which case the customer is notified of a gift being credited to their account from an anonymous donor.

Gift certificates come in two designs and can be purchased any time of the year. It's a great gift for any special occasion such as birthdays, Mothers Day or Fathers Day.

Operation Warm Heart Generosity Helps Others

Since 1989 our caring customers have given generously to KPUD's Operation Warm Heart Program.

These gifts help other KPUD customers, who are having a difficult time paying their power bills.

"Neighbors helping neighbors" is a proud Klickitat PUD tradition.

You can be part of Operation Warm Heart with a tax deductible contribution of any amount.

There are three ways to contribute to this program.

1. Have a small amount added to your monthly KPUD bill. Most people give \$1 or \$2 a month.

2. Make a one-time contribution

of any amount. All gifts are welcome.

3. Place your bill on the Operation Round Up program, which rounds your utility bill up to the nearest dollar and puts the difference into the Operation Warm Heart fund to help needy families.

If you wish to participate, please call our customer service representatives, who can answer your questions and assist you in signing up for these programs.
