

KPUD Announces Survey Drawing Winners

On August 28, the Klickitat PUD (KPUD) staff presented the board with the names of customers who completed and returned the survey that was included in the July issue of Ruralite.

In appreciation of customers completing this survey, KPUD awards three customers with a \$100 credit toward their account.

The three luck winners were selected when KPUD Commissioners Dan Gunkel, Ray Mosbrucker and Randy Knowles each drew a name from their corre-

sponding district.

Customer survey \$100 winners were Beth Walton of White Salmon, Michael Reeg of Pleasant Valley and Genevieve Swigert of Goldendale.

Genevieve says she was excited because this is the first contest she has ever won. She is an avid reader of Ruralite and enjoyed the article about Eleanor Dooley. She remembers when electricity was first brought to farmers in Klickitat County, and would like to read an article about it in Ruralite.

Genevieve and her husband celebrated their 50th wedding anniversary in the PUD meeting room. She recalls many memories, with the PUD being a cornerstone of the community.

For her 90th birthday next year and her best friend's 80th, Genevieve is planning a sky diving trip!

She thanks KPUD for the years of great service and says she feels lucky to be customer of a PUD with reasonable rates.

Congratulations to the three \$100 winners! ■
