New Meter Reader Danny Smith Joins Goldendale Office

Danny Smith started his first day as a meter reader for Klickitat PUD's Goldendale office on June 16. Danny comes to us from SDS Lumber Co, in Bingen, where he was employed for 15 years.

He will read meters in the towns of Goldendale, Klickitat, Wishram, Roosevelt, and the communities of Ponderosa Park, Rimrock, and will read irrigation meters throughout central and eastern Klickitat County.

Danny grew up in the White Salmon area and is a graduate of Columbia High School. He later moved to Goldendale, where he started his own heating and air conditioning business.

Danny met his wife, Krystal, in 2002. In his spare time, he enjoys hunting, fishing, and spending time with his wife and kids riding 4-wheelers and barbecuing.

He is excited about the new challenges that the meter reading position will bring, and to learn a new skill while working for Klickitat PUD. ■

Keith Lilly Joins KPUD's White Salmon Office

Join us in welcoming Keith Lilly to the White Salmon office. Keith's first day of work as a meter reader/ customer service representative was June 16. Keith is assisting Dan Charters with meter reading in the west end of the county in preparation for monthly billing, and also is helping out in the billing office.

Watch for him in the towns of Lyle, White Salmon, Bingen, Glenwood, Dallesport, Murdock, and the territory in between. Rural customers will see Keith while he conducts our annual meter audit throughout the summer.

Keith was born and raised in White Salmon and is familiar with the territory he will be covering. In his spare time, he enjoys riding his 4-wheeler on the beach and in the mountains, as well as spending time with friends and family.

Keith graduated from Columbia High School and was previously employed by Hansen & Spies Logging Inc., of Glenwood. After being in the logging industry, he looks forward to his new responsibilities and a new working environment with Klickitat PUD. ■
