Spring Fest in White Salmon

This year's Spring Festival, held May 29-31 in White Salmon, had record attendance and drew a large crowd from the Columbia Gorge area.

Since 1976, Spring Fest has been a premier community event in the Gorge and has grown to an annual attendance of more than 3,000. The event always includes great entertainment, a parade, food and drink, games, competitions, gear swap and something for all ages.

A big thank you to Klickitat PUD employees Justen Greenwood and Bernie Predeek and their families. They represented the PUD Saturday in the parade that winds through town along Jewett Boulevard and Main Street and ends at Rheingarten Park, where the festivities continue.

The boys threw candy from the bucket to happy parade attendees and thoroughly enjoyed their time in the big truck. ■
