

Home Electrical Safety

Always Look Up Always

Before starting **any** project, **be alert of where the power lines are located**, and know how high they are hanging. Whether you're working on the roof, trimming trees, or painting your siding, it's your job to be aware and to **alert others about nearby power lines**.

Klickitat PUD Freelance Writer/Photographer Wanted

Have you read an interesting article in Klickitat PUD's edition of Ruralite magazine and thought you had what it takes to write a fun, compelling or emotional feature? If so, KPUD is looking for a local freelance journalist interested in finding and producing features in and around our service territory.

If you or someone you know has writing experience—professional or enthusiast—and wants to be a part of your utility's editorial effort, email writing and photography samples, along with a brief introduction, to Ruralite Assistant Editor Brandon Pomrenke at brandonp@ruralite.org. Be sure to include what excites you about writing in your community!
