

# See a Light Out? Please let us know.

If you see a burned-out or damaged light in Klickitat County, please report to Klickitat PUD by contacting the office at 509-773-5891 and speaking to Operations, through our SmartHub mobile app or by calling 800-538-8457.

Please provide:

- ▶ A description of the problem.
- ▶ The location of the streetlight or outdoor light.
- ▶ The pole number where the light is attached.
- ▶ Your name, account number and contact information.

Thank you for helping keep our streets and neighborhoods illuminated at night.
