Stay Connected With Klickitat PUD

The internet is a great resource for staying in touch with your utility

Have you ever wanted power outage information at your fingertips? To pay your bill online, or get information about your rates or what kind of rebates are available?

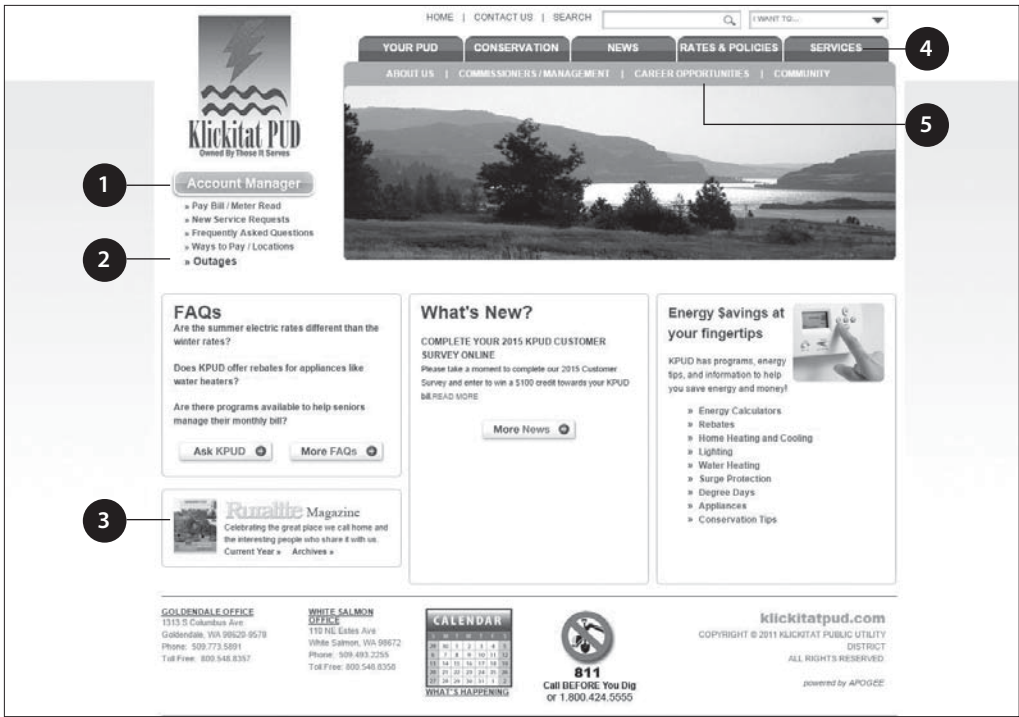

Klickitat PUD's website is user-friendly with easy navigation, and provides you with access to the information you really need or want.

Check out the conservation section for the latest rebate information, tips for

saving energy, net metering and more.

You can access a mobile version of the website with your smartphone. The site includes outage information, news and contact information.

The site was designed with the information consumers want most. If you have any comments or questions about our website or Facebook page, contact our offices in Goldendale or White Salmon. We appreciate your feedback. ■

1
Pay your bill or turn in a meter read.

2
This text turns red during an outage or when a planned outage is coming up.

3
Check out your local Ruralite pages from years past or the current issue.
