Electric Rate Schedule 8 - PUD Electrical Service

Availability

Available to PUD accounts required to maintain electrical service (warehouses, offices, etc.)

Monthly Rate

Effective January 1, 2020

Basic Fee	None
Average Wholesale Rate	\$ 0.033 / kWh
Demand Charge	None
All other hours	No demand charge

Purpose

The purpose of this rate is to provide a method for allocation of costs to internal PUD departments related to electrical service use.

Effective

The rates on this schedule are effective on all bills issued after January 1, 2020.
