Resources to Get Through COVID-19

The internet is a great resource for staying in touch with your utility

As part of Klickitat PUD's commitment to customers, several assistance programs are available to help people who have been impacted by COVID-19. This information is available on KlickitatPUD.com 24/7.

Klickitat PUD's website is user-friendly and provides access to all the information you need or want. There are options to pay your bill online and get information about your rates or what kind of rebates are available.

Check out the conservation section for the latest rebate information, tips for saving

energy, net metering and more.

The website includes outage information, news and contact information. The website is also mobile friendly.

An additional resource for updates about Klickitat PUD is our Facebook page, found at facebook.com/klickitatpud.

The website was designed with the information consumers want most. If you have any comments or questions about our website or Facebook page, contact our offices in Goldendale or White Salmon.

We appreciate your feedback. ■

1 Access information on programs specific to COVID-19 assistance.

2 Access KPUD's customer portal, SmartHub, or make a one-time payment.

3 Check out Ruralite stories from the current issue or from years past.

4 New electric or water/wastewater service information can be found under the Service tab.

5 See job openings under the Career Opportunities tab.

6 Current COVID-19 information can be accessed from the What's New section along with KPUD updates.

7 Click here for rates and policies.

8 Click here for rebate information and to see other conservation information.
