

# KPUD Offers Various Payment Options

*Find the way to pay that works for you: check, cash, drafts, online or by phone*

KPUD customers have a variety of options for paying their monthly utility bills.

In addition to the usual method of check or cash, KPUD accepts drafts from bank accounts and debit or credit cards. Customers also may pay online or over the phone with their debit or credit card.

We do not accept the “check by phone” payment method.

## Drafts

KPUD can deduct monthly bill payments directly from a customer’s checking or savings account, or from their debit or credit cards. This relieves customers of worrying about due dates, writing checks or finding a stamp.

After choosing this option, customers receive a monthly statement that shows the amount of the draft that will be drawn on the payment due date.

If you use this option with your credit or debit card, it is important to inform KPUD if the expiration date changes on your card.

## Online

Payments can be made online at [www.klickitatpud.com](http://www.klickitatpud.com). Choose “Pay Bill/Meter Read” from the left-hand column.

To log in, you need your account number. Your PIN may be the last four digits of your account number and the first letter of your last name. If that doesn’t work, register as a first-time user with your account number and your meter number or current phone number.

The online program accepts credit or debit cards. You can also view your last 12 statements online, graphs of your kilowatt-hour usage, recaps of your payments and request minor changes to your account.

If you are a rural customer who reads your own meter, click on “Your Account Maintenance,” then “Submit Reading.” Enter your read in the box provided and be sure to complete the entire process to submit your read.

We are happy to help if you have any questions or concerns.

Call Customer Service for more information at (509) 773-5891 or (800) 548-8357. ■

## Swim, Bike, Run in First-Ever Triathlon

The first GoldenMan Triathlon comes to Goldendale Saturday, September 15. Several KPUD employees will be participating either as individuals or as members of a team. We would like to see you there as well! There are a variety of ways to participate, as either a competitor or as someone who just wants to have a morning adventure.

The event consists of a 500-meter swim, 14-mile bike ride, and a 3.25-mile run. Participants can either compete in all three stages of the triathlon or set up a team and split the events with their teammates. If you are not a swimmer, there is a duathlon option without the swim. There will be a shorter-distance course for children so the entire family can participate.

Proceeds from the event will benefit BackPacks for Kids and Central Klickitat County Parks and Recreation District.

For more information or to register, visit [www.goldendalepool.com](http://www.goldendalepool.com) or call (509) 773-0506.
