

### Klickitat PUD Contractors List

Below is a list of contractors who are licensed by the State of Washington, who carry liability insurance, and who have agreed to comply with all Bonneville Power Administration and KPUD installation and material standards and specifications. KPUD cannot guarantee the quality of their work as contractors are not considered officers, agents or employees of BPA or KPUD. Homeowners are to secure bids and hire the contractor. If homeowner chooses a contractor not listed, they must be bonded and licensed in Washington and must notify KPUD. It is suggested that you obtain at least (2) bids and no bid be accepted unless the premises have been visited and physically inspected by the bidding contractor.
