Ductless and Ducted Mini-Split Heat Pump (DHP) Contractor Project Installation Form

All sections must be filled out by the installer at the time of the installation. A copy of this completed form and the purchase invoice must be submitted to Klickitat PUD in accordance to the program requirements. All systems must:

1. Be certified by the Air Conditioning, Heating, and Refrigeration Institute (AHRI)
2. Be installed according to the Best Practices for Installing Ductless Heat Pumps Guide.
3. Be installed in accordance with manufacturer specifications, including adhering to proper refrigerant charging.
4. Meet KPUD rebate program requirements (refer to program Requirements & Instructions packet)
