# Connects & Converse

## Goldendale Home & Garden Show May 6th-8th

KPUD was one of many booths present at this year's H&G show at the Klickitat County Fairgrounds. It provided an excellent platform for knowledge exchange and opportunity for KPUD staff to re-connect with its customers and to encourage feedback

## Fun for all ages

Energy conservation and educational demonstrations were a big hit with kids of all ages. Learning how much power basic household items use is always fun and interactive.

## Discussion Topics

Included latest technologies and rebates

KPUD presented on the Advanced Metering Infrastructure pilot program for smart metering, drone use for line inspections, a daily give-a-way of surge protecting power-strips, rebate and services offerings. Also promoted was a drawing for a \$50 bill credit for enrolling in Auto Draft Bill Pay through KPUD's SmaHub portal through the end of May.
